## Music at St Michael's

Music is integral to the life and worship of St Michael's.

We have a strong and vibrant SATB choir which sings Choral Mass each Sunday, as well as monthly Choral Evensong & Benediction and occasional Feast Day services. A smaller group also meets each Tuesday and Thursday to sing Plainsong Vespers.

Our repertoire is wide-ranging; from Plainchant, Renaissance Polyphony, Baroque and Romantic styles, to exciting contemporary settings.

We rehearse each Tuesday from 7-8.30pm, and enjoy regular social events and trips. We always welcome new members – please get in touch or come and join us!
